ESTRUCTURA DE TEJIDOS / *MATERIALS*

Canalé *Rib*	Tejido de punto con líneas en relieve verticales, gran elasticidad y adaptación al cuerpo. Ofrece comodidad y libertad de movimiento y aporta un acabado ajustado y moderno.	*Knitted fabric with vertical raised lines and high elasticity that easily adapts to the body. Provides comfort and freedom of movement as well as delivers a fitted and modern finish.*
Crinkle *Crinkle*	Tejido con textura arrugada, ligero y con caída fluida. No necesita planchado, fácil de mantener.	*Fabric with a permanently wrinkled texture and lightweight with a fluid drape. No ironing required, easy to care for.*
Dobby *Dobby*	El dobby se caracteriza por su superficie alveolar, finamente estructurado.	*Dobby is characterized by its fine-structured beehive effect.*
Felpa *Fleece*	Las materias en felpa se caracterizan por su aislamiento térmico elevado y su ligereza. Son resistentes y suaves al tacto.	*Fleece materials are well-known for their heat insulation and lightness. They are soft to the touch and very resistant.*
Felpa perchada *Brushed Back Fleece*	Tejido de punto suave con interior perchado que genera una textura afelpada. Su grosor facilita la retención térmica gracias a su acabado interior. Aporta suavidad al contacto con la piel, aumentando el confort.	*Soft knitted fabric with a brushed interior that creates a plush texture. Its thickness facilitates heat retention thanks to its interior finish. It feels soft against the skin, increasing comfort.*
Single Jersey *Single Jersey*	Single Jersey es un tejido de punto sencillo y ligero con una superficie lisa en el derecho y más texturada en el revés. Además, es cómoda y transpirable.	*Single jersey is a simple, lightweight knit fabric with a smooth surface on one side and a more textured surface on the other side. It is also comfortable and breathable.*
Interlock *Interlock*	El tejido interlock presenta una superficie fina y tersa. Es muy extensible, resistentes y de un mantenimiento particularmente fácil.	*Interlock material offers a fine and compact surface. It is expandable, resistant and easy to care for.*
Jacquard *Jacquard*	Las materias de Jacquard se caracterizan por el aspecto de su red y de sus tejidos adornados con motivos. Son muy finas y variadas.	*Jacquard materials are characterized by their knitted effect and their intricate designs.*
Jersey *Knitted Jersey*	Las materias en Jersey son agradables de llevar, ligeramente extensibles y flexibles. Se caracterizan por su tacto mullido y generoso, así como por su estructura ligeramente acanalada.	*Knitted materials are comfortable, lightweight, expandable and flexible. Characterized by their soft touch and ribbing effect.*
Oxford *Oxford*	La materia Oxford es particularmente sólida y resistente al uso por frotamiento gracias a un procedimiento especial de fabricación.	*Oxford is a very solid material, durable and resistant to friction as a result of its special manufacturing procedure.*
Piqué *Pique*	Los tejidos en piqué se caracterizan por su superficie en relieve, que transporta especialmente rápido la humedad hacia el exterior. Son muy ligeros y agradables al tacto.	*Material characterized by its layered surface, rapidly transporting humidity toward the exterior. Lighweight and comfortable.*
Popelín *Poplin*	Los tejidos en popelina se caracterizan por rayas ligeras transversales y por un aspecto satinado brillante. Presentan una estructura fina pero densa.	*Poplin materials characterized by slightly transversal lines and for their shiny satin finish. A fine and dense structure.*
Ripstop *Ripstop*	Tejido plano reforzado con hilos más gruesos en cuadrícula. Muy resistente al desgarro y ligero pese a su durabilidad. Resistente al uso intensivo y condiciones exigentes.	*Woven fabric reinforced with thicker threads in a grid pattern. Highly tear-resistant and lightweight. Resistant to heavy use and demanding conditions.*
Sarga *Serge*	La sarga se caracteriza por un punto firme y, sin embargo, fino. Además, es ligero al tacto.	*Serge is lightweight with a very firm and fine weave.*
Tactel *Tactel*	El tactel se caracteriza por su superficie mullida, semejante al algodón.	*Characterized by its soft surface, similar to cotton.*
Tafeta *Taffeta*	La tafeta presenta un tejido liso y firme. Es sólido y resistente.	*Taffeta is a smooth and firm material. Solid and resistant material.*

Tejido de rejilla *Mesh*	Tejido hecho con fibras entrecruzadas, ligero y permeable al aire. Respira y se seca rápidamente.	*Material made of cross-fibers, lightweight, breathable and fast-drying.*
Terry *Terry*	El terry tiene estructura en rizos. Es agradable, meduloso y confortable. Además de caracterizarse por su tacto mullido.	*Material with curly structure, very comfortable and absorbent.*
Tricot *Knit*	Los tejidos de punto se caracterizan por su estructura acanalada, con tejido denso y extensible.	*Knitted materials are characterized by their ribbed structure, tightly knit and expandable.*

NIVELES TECNOLÓGICOS / T*ECHNOLOGY LEVELS*

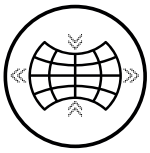

TRANSPIRABILIDAD | *BREATHABILITY*

El tejido permite el paso del aire y de la humedad, manteniendo el cuerpo seco.
The fabric allows air and moisture to pass through, keeping the body dry.

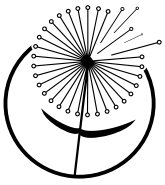

DURABILIDAD | *DURABILITY*

Tejido especial que protege y ofrece gran resistencia en actividades exteriores, además de asegurar su perdurabilidad en el tiempo.
Special fabric that protects and offers great resistance in outdoor activities, as well as ensuring its durability over time.

ELASTICIDAD | *ELASTICITY*

Tejido con elástico a 4 direcciones, envuelve el cuerpo de manera confortable.
Fabric with 4-way elastic which wraps the body comfortably.

LIGEREZA | *LIGHTNESS*

Tejido con peso mínimo que no obstaculiza el movimiento.
Fabric with minimal weight that does not hinder movement.

SUJECIÓN | *SUPPORT*

Permite una sujeción del músculo/pecho durante un impacto deportivo.
Allows muscle/chest support during a sports impact.

IMPERMEABILIDAD | *WATERPROOF*

Gran resistencia al agua, manteniendo el cuerpo seco bajo circunstancias de lluvia.
Great water resistance, keeping the body dry under rainy circumstances.

CALIDEZ | *WARMTH*

Ayuda a controlar la temperatura corporal frente a las adversidades del clima exterior.
Helps control body temperature against the adversities of the outside climate.

ETIQUETADO ESPECIAL / *SPECIAL LABELS*

ARCHIVE

Productos repetidos entre colecciones que se adaptan cambiando el logotipo y el print.
Repeat products between collections that are adapted by changing the decorative logo and print.

COLD

Tejido especial coolfeeling que ofrece frescura, ligereza y se adapta con falicidad al cuerpo.
Special coolfeeling fabric that offers freshness, lightness and adapts to the body.

ICONIC

Productos estrella que han aparecido con anterioridad en otras colecciones.
Star products that have previously appeared in other collections.

MARATHON

Tejido ligero y especial para correr maratones.
Lightweight, special marathon fabric.

BREEZE

Producto especial cortavientos.
Windbreak special product.

BRAMA

Prenda elaborada con la tecnología Brama, que mantiene la temperatura corporal constante y permite la transpiración del sudor. Tejido elástico para mejor libertad de movimiento.
Made with Brama technology, keeping the body temperature constant allowing sweat to evaporate. Elastic fabric for better freedom of movement.

TERRY

Prenda elaborada con Terry, un tejido agradable, meduloso, ligero y confortable que ayuda a retener el calor corporal. Su uso es ideal en países cálidos por la transpirabilidad del producto.
Garment made from Terry, a pleasant, thick, lightweight and comfortable fabric that helps retain body heat. Its breathability makes it ideal for use in warm countries.

PLUS SIZE

Producto cuyo patronaje ha sido elaborado en especial para personas con tallas curvy o plus size.
Product that has been specially designed for curvy or plus size people.

RESTOCK

Producto icónico de una colección anterior que ha renovado stock esta temporada.
An iconic product from a previous collection that has been restocked this season.

COOL FEELING

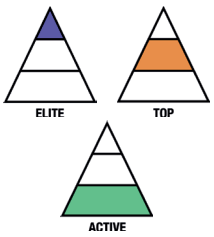

Acabado que aporta una sensación de frescor al contacto con la piel, ayudando a disipar el calor y mejorar el confort térmico, especialmente en climas cálidos o durante actividad física.
A finish that feels cool against the skin, helping to dissipate heat and improve thermal comfort, particularly in hot weather or during physical activity.

ANTIBACTERIAL

Tratamiento que inhibe el crecimiento de bacterias en el tejido, ayudando a reducir olores y mantener la prenda más higiénica por más tiempo.
A treatment that inhibits the growth of bacteria in the fabric, helping to reduce odours and keep the garment hygienic for a longer period of time.

WRINKLE RECOVERY

Acabado aplicado al tejido mediante un tratamiento químico que modifica la estructura de las fibras para reducir la formación de arrugas. Este proceso ayuda a que la prenda recupere su forma después del lavado y el uso, minimizando o eliminando la necesidad de planchado.
A finish applied to the fabric through a chemical treatment that alters the structure of the fibres to reduce creasing. This process helps the garment retain its shape after washing and wear, minimising or eliminating the need for ironing.

Estructura piramidal de precios en base a la tecnología de tejido aplicada. Clasificada desde el nivel base (en color verde, el primer precio técnico) al rango más alto (el nivel morado, el élite). Representada en cada producto mediante una pirámide que indica individualmente cada color según su categoría de precio.
Pyramid pricing structure based on the applied fabric technology. Classified from the base level (in green, the first technical price) to the highest range (the purple level, the elite). Represented in each product by a pyramid indicating each colour individually according to its price category. An iconic product from a previous collection that has been restocked this season.
